STRATEGIC · ANALYTICAL · TECHNICAL · GERMANY-READY (EU BLUE CARD / CHANCENKARTE) · MRICS APC ROUTE

PROFESSIONAL PROFILE

PMP®-certified Planning Manager and Chartered Engineer (Institution of Engineers India) with 16 years of international experience in project planning, scheduling, and project controls across 7 countries (India, Qatar, Kuwait, Iraq, Libya, DR Congo, Ethiopia). Holder of an APS Certificate and a ZAB Statement of Comparability confirming German-Bachelor equivalence. Expert in Primavera P6 and MS Project, with a proven record delivering complex hospitality, aviation, industrial, and infrastructure projects. Skilled in digital workflow automation (PHP/MySQL) and AI-assisted reporting. Actively seeking a Planning Manager role in Germany — a profile in high demand across the German construction and infrastructure sector. Sponsorship is not required; eligible for the Opportunity Card (Chancenkarte). Currently pursuing MRICS (Member of the Royal Institution of Chartered Surveyors) via the APC route, further strengthening credentials for the German and wider European construction sector.

CORE COMPETENCIES

- Programme & Master Schedule Development
- Resource & Cost Loaded Scheduling (P6)
- Critical Path & Float Path Analysis
- Earned Value Management (EVM - SPI/CPI)
- Disruption, Delay & Claims Data Preparation
- Commissioning & MEP Interface Planning
- Delay Analysis & Claims Mitigation
- KPI Dashboards & Executive Reporting
- Risk Management & Recovery Planning
- Multi-Contractor / PMC Environment Leadership
- Digital Workflow Automation & AI-Assisted Reporting

CAREER HISTORY

Planning Manager *Dec 2025 – Present*
Shafa Al Nahdah Building Contracting LLC · Addis Ababa, Ethiopia

- Leading end-to-end master schedule development for the Westin Hotel by Marriott, a 12-storey 5-star hospitality project.
- Orchestrating engineering, procurement, and construction sequencing across multiple sub-contractors to safeguard milestone delivery.
- Producing executive-level variance analysis and risk mitigation strategies presented directly to client and senior management.
- Championed digital reporting automation, reducing schedule update cycle time by 30%.

Planning Manager *Dec 2024 – Dec 2025*
Mining Engineering Services (MES) · DR Congo

- Directed planning and controls for large-scale civil and building projects in a complex, remote operating environment.
- Developed integrated Primavera P6 / MS Project schedules covering design, procurement, logistics, and construction phases.

GERMANY WORK ELIGIBILITY

- ✓ **EU Blue Card & Opportunity Card Eligible (ZAB German Bachelor Equivalence & APS Held)**
- ✓ ZAB Statement of Comparability held
- ✓ APS Certificate held
- ✓ Qualified for the Opportunity Card (Chancenkarte)
